The Arriving Future

A close-up photograph of a human hand, palm up, holding a small white paper airplane. A thin, light blue circular line with an arrowhead at the top is drawn around the airplane, suggesting a path or a future. The background is a soft-focus image of a city skyline at dusk or dawn, with warm light and bokeh effects.

NCHL DISTINGUISHED SERVICE AWARD

Peter W. Butler

NCHL Board Member, Chairperson
& Professor, Rush University
Department of Health Systems
Management and Past President,
Rush University Medical Center

Peter Butler is being recognized for his outstanding contributions to the success of NCHL throughout much of its history. Among his many noteworthy contributions, he was an original member of NCHL's Advisory Council on Healthcare Leadership Competencies, served as NCHL Board Chair and oversaw the successful growth of NCHL's program portfolio, including the U.S. Cooperative for International Patient Programs and the Commonwealth Center for Governance Studies, and he was instrumental in supporting the launch of the National Council on Administrative Fellowships, a collaborative network of leading health systems and graduate health management programs focused on formally recognizing and advancing the role, availability, and quality of administrative fellowships.

2018 GAIL L. WARDEN LEADERSHIP EXCELLENCE AWARD RECIPIENT

Nancy Howell Agee

President & CEO
Carilion Clinic

Join us for a special evening to honor Nancy Howell Agee, whose commitment, values and contributions embody the vision of NCHL to improve the health of the public through leadership and organization excellence.

Mrs. Agee is being recognized for her servant leadership style and for leading Carilion Clinic through extensive reorganization, collaborating with partners to establish a new medical school, and creating highly successful medical homes that manage the care of patients with chronic disease. During her tenure, she has stressed quality, safety, value over volume, and preventive care to meet the current and future needs of the region.

The Leadership Award is named in honor of NCHL's founding chairman, Gail Warden, for his remarkable accomplishments as an innovator in healthcare delivery, community wellness, and health policy, and as a mentor and inspiration to future generations. The Award is in recognition of his legacy of leadership.
